Overview

Our school hold National Flag Raising Ceremonies on important days and special occasions such as before National Day, before Hong Kong Special Administrative Region Establishment Day, after New Year's Day, and on the day of our school's graduation ceremony. These ceremonies allow all teachers and students to participate in paying attention to the flag, helping young children build an understanding of their country and cultivate a sense of belonging. Additionally, on China National Day and Hong Kong Special Administrative Region Establishment Day, representatives from K2 and K3 students serve as "flag bearers" and "flag guards" respectively, responsible for raising the flag. Through actively participating in National Flag Raising Ceremonies, children can learn about and care for their country, strengthen their recognition of national identity.
